Install the EZist app on your device:

Please take note of the guide below to assist with installation on your different devices.

### Android

In your browser menu, on the same EZist web app page you've used to register, scroll down, and tap on the "Add to home screen" option in the list (wording may differ depending on browser and model).

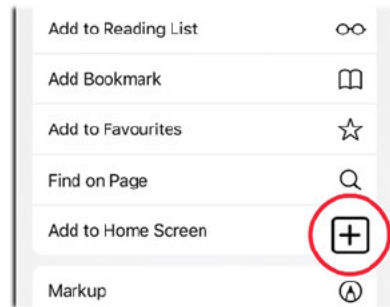

This will add the EZist App icon to your home screen for ease of access.

### iPhone

On your browser screen select the "Share" option at the bottom of the screen.

Scroll to "Add to home screen" and tap. This will add the EZist App icon to your home screen for ease of access.

### Windows computer

At the top of your browser window, in the address bar, tap on the plus symbol or download icon. 

Alternatively, the same option can be found in the top right browser menu, labelled as "Install EZist" (exact wording differs between browsers). Once installed you will then be able to find the EZist App on your desktop for ease of access.
